Author: Resource Committee

MDC Quail Research and Coordination Staff

1 WHEREAS the Missouri Department of Conservation is currently working to meet the goals of
2 the Northern Bobwhite Conservation Initiative;
3 AND WHEREAS the focus necessary to adequately address the goals of the NBCI would be
4 facilitated by staff solely dedicated to quail research and coordination;
5 NOW, THEREFORE, BE IT RESOLVED that the Conservation Federation of Missouri assembled at
6 the Lodge of Four Seasons, Lake Ozark, MO, this 24th day of February, 2008, strongly suggest MDC
7 devote two full time staff members with sole responsibility for quail research and coordination.
