Re: *Senate Bill 714*

Dear Mr. Murphy:

Thank you for your letter and resolution regarding Atrazine's adverse affect on water quality.

I appreciate the helpful information your resolution provided on Atrazine. I will have my staff further investigate this issue, and keep me abreast of the latest developments.

I believe we must all do our part to be good stewards of the Earth so that future generations can enjoy a quality of life equal to our own, or better.

Please feel free to contact me again if I may be of service to you.

Yours truly,

MICHAEL R. GIBBONS
