

PRIVATE LANDOWNER FOREST & WILDLIFE WORKSHOP

SATURDAY

APRIL 19, 2008

(Rain, Snow or Shine)

Presented By:

Mid Missouri Chapter of the
RUFFED GROUSE SOCIETY

And the

MISSOURI DEPARTMENT OF CONSERVATION

LOCATION:

Bill and Margie Haag Property
(see map on back)

RAFFLES (including) leaf blower &
wildlife art prints

WHY YOU SHOULD ATTEND?

To learn about timber management practices available to you to improve wildlife and forests on your land, meet forestry and wildlife professionals, see quail management using native plants, and learn about cost-share opportunities for private landowners. Also, you can come early to listen for Drumming Grouse and stay after lunch to see a prescribed fire demo.

AGENDA

- 6:00 am - Optional Drumming Grouse Listening Stop
(Donuts & Coffee after completion of tour)
- 9:00 am - Tours- including tree ID, timber harvest, timber stand improvement, woody edge enhancement, glade management, and wildlife management for grouse, deer, turkey, small game, quail, and songbirds.
- 11:30 am - Tree Shear demonstration by Jerry Lairmore
- 12:00 pm - Lunch provided by RUFFED GROUSE SOCIETY (bratwurst & home-made pies)
- 1:00 pm - Optional Prescribed Burn demonstration (pending optimal weather)

FOR MORE INFORMATION, CALL JOSH STEVENS AT

573-592-1400, ext. 4.

PLEASE RSVP by APRIL 14th.
