INITIATIVE PETITION

To the Honorable John R. Ashcroft, Secretary of State for the State of Missouri:

We, the undersigned, registered voters of the state of Missouri and voter county County (or city of St. Louis), respectfully order that the following amendment to the constitution shall be submitted to the voters of the state of Missouri, for their approval or rejection, at the general election to be held on the 6th day of November, 2018, and each for himself or herself says: I have personally signed this petition; I am a registered voter of the state of Missouri and voter county County (or city of St. Louis); my registered voting address and the name of the city, town or village in which I live are correctly written after my name.

Do you want to amend the Missouri Constitution to:

- redefine hunting to exclude privately-owned big game (not fully domesticated hooved animals such as white-tailed deer, elk, moose, boar, and bighorn sheep) confined on preserves;
- prohibit transporting big game into or out of Missouri, except licensed confined big game preserves may export for one year, and public zoos, wildlife organizations or scientific research facilities may import and export indefinitely; and
- give the Missouri Conservation Commission primary regulatory authority over privately owned big game?

State governmental impact is unknown. Local governmental entities expect no costs or savings.

A few counties have multiple congressional districts. A list of counties should be on the back of this page. If not you can find it at http://bit.ly/MOcounties. If a voter from a multi-district county is not sure which is their Congressional District, you can look it up from their address using http://bit.ly/MOdistrict					
We are not collecting any signatures for districts 6 or 8. Please thank any voters from those districts for their support, and let them know they can visit FairChaseMissouri.com to learn about other ways they can help.

Blank petitions available to be printed here: HuntersForFairChase.com/blank

All must be on legal size paper and printed double-sided with the full petition language on the back.

Petitions with county already filled in are available to be printed here: HuntersForFairChase.com/PrintIP_county
Edit "county" to reflect the name of the county you are looking for, e.g.:

All copies of this petition have editable "fields" for the two places the collector name is entered, and for the collector address. Most programs that display PDF files will allow you to edit those fields prior to printing or saving your copy.

You need not edit these fields online if you prefer to write your name and address in manually, but if you are preparing a lot of copies it can save you time.

It also assures legibility — which is extremely important.
